Andy Novack of 2 North Avenue, Wilmington Delaware 19804 puts out, along with John Mezzatesta, the Wrestling Round Up. I can say every issue I've received is better than the previous one. They really put out a good bulletin. Cost is \$1 plus three 20 cent stamps.

If you are into results, the encyclopedia is done by Jay Steele, 113 Bonvue Street, Pittsburgh, Penn. 15214. Cost is \$1.50 and it's the most complete results bulletin I've seen.

Dan Billings continues to come out with Wrestling Writes every three weeks with the most-up-to-date news around. For those who asked, the tournament match between Ric Flair and Bruiser Brody for the mythical championship went the same route as their St. Louis battle on 2/11-60 minutes to the time limit. Cost for Writes is 75 cents and Dan also covers the independent circuits for \$1 every six weeks or so. Send for both at Route 1, Box 227, Hillary Road, Bowdoinham, Maine. 04008.

Ken Hamblin, who took the photo of Billy Jack in this bulletin, puts out Ring Around the World every eight to ten weeks. Cost is \$1.50 plus two 20 cent stamps. He also sells photos and a Moondog Mayne booklet. Contact him at 1220 East 63rd Street, Tacoma, Washington. 98404

His sidekick, Mike Rodgers, would like to trade results, clippings and photos with anyone in our areas. His address is 870 5th Avenue, Seaside, Oregon 97138

Global Wrestling for \$1,31 Groverland St., Springfield, Mass, 01108, editor Tom Burke has lots of contacts.

Nostalgia fans of the early 70's, Ron Dobratz has some excellent publication from that era. Check...

Dan Billings informs me he has raised the price of his Wrestling Writes to \$1 per issue, but the issues have been expanded to 14 pages. His address is route 1, Box 227, Millay Road, Bowdoinham, Maine 04008.

Jay Steele's monthly results bulletin, containing more than 200 cards of results and news highlights is available for \$1.50 at 113 Bonvue Street, Pittsburgh, PA. 15214

Barbi Barker of 410 Dinwiddie Ave., Blackstone, VA 23824 puts out Wrestling Wire, another results pub for \$1.50

Mike Rodgers of 870 5th Ave., Seaside, Oregon 97138 puts out the best circuit close-up bulletin that I receive--Ring Around the Northwest. The 50 cents gives you about six pages of in depth monthly news from an area which has better wrestling than a lot of people think

Steve Helewagen of 605 Edgewood Drive, Circleville, Ohio 43113 puts out Eastern Wrestling News for \$1 plus a 20 cent stamp. It's eight pages filled with news reports and some results.

Andrea Gates of 3109 Foggy Mountain Loop, Sanford, North Carolina 27330 puts out East Coast Ring Wars for \$1 plus a 20 cent stamp.

Ken Hamblin of 1220 East 63rd, Tacoma, Wash. 98404 puts out Ring Around the World, a features bulletin for \$1.50 and two 20 cent stamps. Bulletin generally runs over 20 pages, but comes out just about every ten weeks.

Ron Dobratz, a frequent contributor to this publication, has some excellent publication for sale from the 1972 through 1974 time frame. In fact, they are probably the best bulletins I've ever seen. Contact him with an SASE at 11750 Graystone Circle, Roscoe, ILL. 61073

My current collection of main event videotapes is approximately 210 hours from throughout North America and Japan. Those will have received tapes from me in the past should receive a monthly update on what is available. For those wishing to receive a listing send 54 cents to cover postage and I'll get one out to you as soon as possible. I am currently looking to trade tapes with fans in Houston, Calgary, Memphis and Alabama. Those who have received a list in the past please note that I will be erasing Misc. Supertapes 1-8, 11 and 14-16 in early January so if you are interested in any of those tapes please let me know.

## VIDEOTAPES

As many of you know, I have a large collection of wrestling videotapes of more than 220 hours of main events from throughout North America and Japan. For a list of what is available, send

54 cents to coverage postage for the 12 page list to me at 1717 Midwestern Parkway #205, Wichita Falls, Texas 76302.

In response to several requests, I don't have a tape of Starcade '83 from Greensboro. If anyone knows anyone who pirated the signal and taped the show, please let me know as I would be most interested in working out any sort of a trade to get a copy. If I happen to get a tape of that show,, I'll let everyone know next month

March, 1984

Before going on I'd like to compliment Jay Steele for his 66 page yearbook which I received a few days back. In some ways it's similar to the Observer yearbook, but one thing people might find interesting is his listing of as many many matches involving the champs of the NWA, AWA and WWF as possible during the past year. It's a very extensive list. I didn't know that Nick Bockwinkel took the month of October off till seeing the list. That's pretty sad when a supposed world champ is off a month and nobody misses him. The book is available for \$5 at 113 Bonvue St., Pittsburgh, PA. 15214

Back issues of the '83 yearbook which is 40 pages are available here for \$3. There are plenty of extra issues still around, but if you plan to order an extra, I'd suggest not putting it off. The '82 book sold out very quickly after listing the back issue as available. Also, the U.S. Post Office had a field day with the last issue as I've heard from an shocking number of folks, particularly on the East Coast, who never received their copy. If anyone under subscription fails to get the Observer by the 26th of the month, please contact me.

April, 1984

As most readers know, I have a large list of VHS videotapes for trade covering about 262 hours of main events from throughout the globe. I am getting fairly regular tapes from most circuits, but am still on the lookout for Calgary, Portland, Alabama and some of the others. I also have a three tape series covering the highlights of 1983. For a copy of the three tape list send a self addressed stamped envelope to me. For the lengthier list, send 54 cents to cover postage but not an envelope as the list is something like 12 legal sized pages.

Among the highlights of the 3 tape series include Tape A: Flair vs. Kerry Von Erich from Dallas, Bockwinkel vs. Hogan before 28,000 in St. Paul, and Tiger Mask vs. Dynamite Kid: Tape B includes Hogan vs. Inoki IWGP final, Freebirds vs. Von Erichs and Muraco vs. Snuka: while Tape C includes the top three matches from Starcade '83, Terry Funk's retirement match from

Japan, the Japan tag tourney finals, a couple of Freebirds vs. Von Erichs country whipping style and a whole lot more.

By the way, I'm currently looking for tapes of the August 15, 1982 match between Ric Flair vs. Kerry Von Erich from Dallas Reunion Arena: Flair vs. Bruiser Brody from the Checkerdome in St. Louis on February 11, 1983 which was shown in Japan and Brody vs. Terry Gordy from Dallas on September 9, 1983. If anyone has any of those bouts, please contact me and I'll work out a trade

Before starting with the letters, I have a few readers who made some requests. If any of you can help, I'm sure they would greatly appreciate it.

Mike O'Donnell of 2005 Versailles Avenue, McKeesport, PA 15132 is looking for chronological lists of the holders of every major championship belt. I know that the newsletter Mat Results (2115 Clifton Avenue, Springfield, OH 45505) had on occasion printed title histories. Others with title histories are asked to contact Mike.

Chris Wells, 520 Dittmer, Pueblo, CO 81005 would like to contact someone who has copies of the books "The Fall Guys" by Marcus Griffin and "Whatever happened to Gorgeous George?" by Joe Jares. Tony Piazza of 115 Beulah Street, San Francisco, CA 94117 is interested in buying videotapes of women's pro wrestling matches. He's also interested in tapes of independent promotions and of matches from the past.

Anyone who has any, or all of those matches, please let me know and I'm sure we can work out a trade. I'm also looking for a regular source in the Houston Tex. area who can supply me with tapes of the UWF show that airs on Ch. 39

A quick correction here. A few issues ago I reported that it appeared The Wrestling News magazine had ceased publishing. I even had tried to contact Norm Kietzer to verify it, only to find his phone disconnected. But this past week, lo and behold, a new issue arrived! Kietzer is currently planning to publish an issue every three or four months. Subscriptions rates are \$11 for four issues at P.O Box 3325, Mankato, MN 56001.

My most recommended mat publications that come here regularly are: Mat Results, 2115 Clifton Ave., Springfield, OH (\$2.50 per issue) which is loaded with results of about 150-200 shows per month with news highlights: Japanese Wrestling Journal % Masayuki Osada, 16-6 Siba 2 Chome, Kawaguchi, Saitama 333 Japan (\$4 per issue mailed airmail) with detailed results of all major and most minor cards in Japan plus news: Wrestling Forum, P.O. Kirk Beattie of P.O. Box 3035. Parramatta, New South Wales 2150 Australia is looking to purchase videotapes of wrestling matches in PAL mode, which is the type of TV screen type they have in Australia and most of Europe (thank god the Japanese do it our way or some of us wouldn't even be interested in wrestling any more). He is also interested in obtaining title histories.

A few notes before getting started. Carrie Brown of 2188 Shawnee Avenue, Springfield OH 45506 would like to find a pen pal who is a serious mat fan. The only requirement is that they hate David Crockett. Shouldn't be hard.

Bodyslam Productions of P.O. Box 5880, Pompano Beach, FL 33074 will be making available several pro wrestling T-shirts. They have XXL shirts as well. Write to them for details.

January 12, 1987

A few notes before getting started. I'd like to apologize to everyone that called me during the week between Christmas and New Year's. Because I was out of town most of the week, last week's issue was much harder than usual to get out (but we still got it in mail by Tuesday) and I was overworked and not particularly talkative. My sincerest apologies.

Also, I'm on the lookout for two videotapes which are on sale in Japan and would like to get info from one of my Japanese readers on how to go about getting them. The first is a tape from 9/16/86 in Osaka featuring the Bruiser Brody vs. Antonio Inoki 60 minute draw and a 10 man elimination tag team match. The second was taped in November of 1985 with assorted matches between Riki Choshu's army and the Calgary Hurricanes which never aired on television.

~~~~~  
January 19, 1987

Dusty Woods Entertainment of 6003 Castor Avenue, Philadelphia, PA 19149 is coming out with the first English Japanese pro wrestling tape. It's the same tape you've seen advertised in some of the wrestling mags, with matches from Antonio Inoki's New Japan promotion including Inoki

vs. Dick Murdoch from the IWGP finals and Riki Choshu vs. Yoshiaki Fujiwara from early 1984. Gordon Solie does the commentary. We should have details on ordering it in the Yearbook issue or shortly thereafter. The current marketing plan is for three volumes to be produced, mainly using U.S. names like Murdoch, Jimmy Snuka and Jim Duggan to sell to a mass audience. We ought to try and get them to do a fourth volume, just for Observer readers with classic matches like Fujinami vs. Maeda and Takada vs. Koshinaka that casual wrestling fans wouldn't be interested in seeing.

Joe Grana of 258 Marlboro Road, Old Bridge, NJ 08857 would like to buy or trade VHS tapes of out-of-area shows from around the U.S. and Japan. He's especially interested in UWF and Florida tapes.

I can work out a trade for tapes from virtually any other circuit in exchange for those, but contact me first, because I have this feeling there are several dozen readers with that ESPN tape.

I'm looking to trade for tapes of Calgary Stampede Wrestling (November thru present) and also for a tape of the Tomorrow Show with Tom Snyder which aired on NBC-TV around 1975 which featured Bruno Sammartino, Superstar Billy Graham and Vince McMahon Jr.

Brian Tramel of P.O. Box 74, Steele, MO 63877 is looking for tapes of the new Crockett TV show that he assumes will be broadcast on Ch. 30 in Memphis.

I'm also on the lookout for tapes of Stampede Wrestling taped 10/26/86 and any shows taped after mid-November.

Our next wrestling video party here in the San Jose area will be on Saturday, May 16th. Contact me at 408-379-8067 for more details. All readers are welcome.

A few new items came across my desk this week. Both cover wrestling in the Pacific Northwest. The Wrestling Informer has been revived, a 16 page monthly covering Oregon mat action for \$2 per issue (professionally printed with photos) at 2312 West 23rd Place, Eugene, OR 97405. The other is called Northwest Wrestle-Media, which is more of a wrestling program, 32 page monthly with the usual shallow writing that comes in programs, but this one is far better than the programs sold on most circuits. Send \$1.50 for a sample copy to P.O. Box 17202, Portland, OR 97217. . .

Brian Lackie of 14 Brantwood Drive, Scarborough, ONT M1H 2G6 would like videotapes or posed photos of Superstar Billy Graham pre-1980. . .

Pat Crocker of PSC Box 4324, Edwards Air Force Base, CA 93523 would like to buy or trade for videotapes of Southwest Championship Wrestling out of San Antonio 1981-84. . .

Since I haven't mentioned them in a while, I'd like to give a plug to my two favorite mat bulletins. Wrestling Forum, Box 65, Knoxville, IL 61448 (\$1.25 per issue) comes out bi-weekly with lots of news and gossip. It's both easy and fun reading. Mat Results, 2115 Clifton Ave., Springfield, OH 45005 (\$2.50 per issue) is usually around 40 pages mainly with results and news from all over the country.

An awful lot of stuff to cover here. . .

First off, Brian Dorfler of 289 Magellan Ave., San Francisco, CA 94116 has two sixth row ringside tickets for Starcade in Chicago that he wants to sell. If you are interested, you can contact him at 415-664-4343. . .

I'd like to thank Bob Closson for all the hard work he's done the past few years putting out Mat Results. Lots of us appreciate it. Bob has been a big help to me over the years with this newsletter as well. Because of work demands, Bob is turning Mat Results over to its original editor, Jay Steele. The monthly 50+ page newsletter is \$2.50 and Jay can be contacted at 113 Bonvue St., Pittsburgh, PA 15212. . .

Lots of other newsletters on the market as well. One of my favorites is Pro Wrestling Digest. Very interesting and funny as well. The price of \$1.75 for their most recent issue is a bargain because the article on their mythical tournament of the worst wrestling announcers was worth more than the cover price. Ask for issue #5 when you send to Bob Ivy, Route 5 Box 66, Louisville, MS 39339. . .

Three other new bulletins have reached my desk for the first time over the past few weeks. Wrestling Watch (\$1.60) from Gary Thompson, Box 515, Glenn Dale, MD 20769; Pro Wrestling Today (\$1.75) from 46 West Way, Wetherfield, CT 06109; and Pro Wrestling Torch (\$1.25) from W.D. Keller, Box 201844, Bloomington, MN 55420. . .

Jon Gallagher continues to put out Wrestling Forum bi-weekly (\$1.25) which is one of the best around at P.O. Box 65, Knoxville, IL 61448. He's also undertaking the formation of the United Association of Wrestling Fans. This will be a competitive group to the WFIA, which for various reasons has disenchanted many of us over the years. The UAWF will put out four magazines per year as well as organize an annual convention over the summer. I'll be helping the organization as far as writing some articles for their magazine plus serving in an advisory capacity. Yearly dues are \$15 which run from January through December of 1988 with the first magazine out in March. For more info, write P.O. Box 215, Galesburg, IL 61402. . .

Ron Evans continues to put out Wrestling Informer for \$2 per issue covering Oregon mat action at 2312 W. 23rd P1., Eugene, OR 97405 while Mike Rogers of 875 5th Ave., Seaside, OR 97138 puts out Ring Around the Northwest for 50. The most recent issue has some photos of Hulk Hogan when he made a p.a. at Billy Jack Haynes' gym in Oregon City. It was scary seeing Hogan without make-up. Facially he looks a lot older than you would think. It's enough to keep any sane person out of the sun. Unfortunately, I don't qualify as sane all the time. . .

Mike Lano of 450 Sutter St. #1643, San Francisco, CA 94018 is looking to trade or borrow videotapes from Japan and old Mike LeBelle Los Angeles wrestling shows. He can trade original copies of Wrestling Revue magazines from the 1950s. . .

Rob Capici of 42 Thompson St., Raritan, NJ 08869 would like to buy a copy of the 10/5 two-hour New Japan special and also copies of any of the New Japan 10-man elimination tag

team matches of late. He can also trade with his collection of WWF, Madison Square Garden cards, WTBS, UWF, AWA, GLOW, POWW and World Class. . .

Rob Brownstein of 6751 Horrocks St., Philadelphia, PA would like to pay someone who gets Starcade on PPV to tape the show for him. . .

Danny Martin of P.O. Box 104633, Anchorage, AK 99510 would like to know if anyone knows of any books on the effect of violence in sports on spectators for his term paper in sociology. . .
David Manns of 1781 Craig Dr., N. Huntingdon, PA 15642 is looking for results and programs from Puerto Rico, Florida and Texas from 1977-87 along with old wrestling bulletins. . . .

Sean Ryan of P.O. Box 83381, Fairbanks, AK 99708-3381 is looking to get a tape of the first eight weeks of Stampede Wrestling on TSN cable, the JCP syndicated shows which aired American Bash footage in July and the 10/3 Saturday Night's Main Event. . .

William Decoff of P.O. Box 272, Danvers R MA 01923 is looking to buy or trade for old tapes from Florida, any matches with Harley Race vs. Bruiser Brody, shooting matches or any old tapes of Lou Thesz or Karl Gotch. . .

All Pro Wrestling, which is going to become the arena magazine of the NWA/UWF, is available for subscriptions for \$14.95 for six issues at P.O. Box 6488, Dallas, TX 75379. I expect you'll be hearing more about this magazine in the future on television shows. . .

I finally got the chance to see the Bash '87 tape with the two "War Games" matches. For violence and action, it's as good as tape as has been released. You all know how to get the tape since the commercial airs endlessly, but I highly recommend it. The first War Games was one of the best matches of the year. I've heard the newest JCP tape which they are advertising right now isn't that hot. . .

Michael Hayes' "Off the Streets" album has been released by Grand Theft Productions, P.O. Box 154169, Irving, TX 75015. It's not a novelty album by a wrestler like the wrestling album or a comedy cult classic like the stuff Freddie Blassie and The Crusher did in the 1960s. It's a serious attempt at music and I listen to it quite often. Of course, my taste in music is open to question, but if you are a fan of the Freebirds, I'll bet you like it.

A new bulletin hit the desk this week called World Wide Wrestling Report done by Paul Brittain of 1201 Miremont Drive, Manchester, MO 63011. I believe it costs 75 cents per issue and the first issue I saw was pretty good. It covers everything except the WWF, and in fact, it acts like Titan doesn't even exist. Sometimes I wish I could get away with that. The one thing I found humorous is the only even indirect reference to Titan was on something to do with Flair, comparing with Hogan they called him (you know the guy, his first name is a four letter word). . .

OTHER PUBLICATIONS

**Japanese Wrestling Journal, Masayuki Osada, editor, 16-6 Siba 2 Chome, Kawaguchi, Saitama 333 JAPAN. This publication is normally around 20 pages with detailed results of all major cards in Japan, results from most cards of the three men's groups (women's wrestling isn't covered here) and news items. Comes out about every six weeks. \$4 per issue. Extremely

good, especially when you consider Masayuki writes this in English and the writing is better and clearer than most U.S. newsletters.
